

Discoveries & Collaborations:

A City-wide Celebration of Photography

FotoFest '98, February 27-March 31

Join FotoFest'98, "Discoveries & Collaborations: A City-wide Celebration of Photography," as the seventh biennial FotoFest celebrates the art of photography with exhibits in 70 gallery locations around the city during the month of March.

FotoFest is a non-profit international arts and education organization intended to create an international forum for the exchange of art and ideas and to promote public appreciation of photography. FotoFest's biennial International Month of Photography is one of the largest photographic festivals in the world and the only one of its kind in the United States. This year's events kicked off with a Market Square celebration on Feb. 27.
